Royo®

INDEX

In the field of sustainability, at Royo we stand as a pioneer and we translate it by adopting a comprehensive strategy that ranges from the selection of materials to resource management. Committing to a sustainable business model will lead us to a better competitive positioning, and will allow us to identify and manage new risks and opportunities from a broader perspective.

Committed to sustainability

The bathroom, the new heart of the house. Functionality with a design of straight lines, asymmetrical worktops and a discreet integrated handle. It incorporates a 45-depth metal drawer with a high-end aesthetic and two adjustment options: top to bottom and left to right. Drawer interiors in Anthracite finish. 6 melamine finishes and 3 handle finishes.

## GENERAL SALES TERMS

- 1 | Unless otherwise expressly stated, the buyer shall be deemed to have accepted the sale conditions herewith mentioned.
- 2 | The prices in this catalogue do not include taxes.
- 3 | Royo is selling FCA.
- 4 | Royo does not accept any cancelations, returns or modifications of special orders once these have been confirmed. Royo will not accept any returning merchandise without any upfront notification.
- 5 | In the event of dispute, both parties expressly submit to the courts and Tribunals of the Jurisdiction of Valencia Royo guarantees its products in the terms provided for under the directive 1997/44/CE and Royal Legislative decree 1/2007 dated 16th November covering guarantees on the sale of consumer goods. This guarantee does not cover damage happened during transport, incorrect installation, manipulations, or reparations, as well as damage due to incorrect use and maintenance.
- 6 | Royo will be responsible only for the value of the material according to the law mentioned above.
- 7 | Royo reserves the right to modify, cancel or introduce any article in its general catalogue without any prior communication.
- 8 | Royo is not responsible for printing errors or omissions that can appear in this catalogue.

## CERTIFICATES AND COLLABORATING ENTITIES

We work with a clear aim: to offer the best quality products and services. And this has led us to rely on the endorsement of different international entities and their respective quality hallmarks.

We comply with the safety requirements on products enforced by European regulations (CE).

The company adheres to the integrated management system of Ecoembes.

Selective collection of waste by authorised administrators.

Sustainability is becoming an increasingly important word at Royo. Proof of this is the Directory Plan that we have implemented to achieve our improvement objectives. We are a brand committed to three fundamental pillars: Environment, Social and Governance.

That is why we are certified with the FSC® seal, we take care of the forests for future generations. FSC® certified products available on request.

SYMBOL E-1: Low content and emission of formaldehyde in medium density fiberboards.

FSC® certified products on request.
