Order your custom Sky washbasin / Sky console in any standard size, to place on any composition with our modules. You can modify the distribution of the modules and the basins (except when the set includes compensation profiles).

For example: if we had the washbasin 140 (100 +40) but we would need the washbasin 140 (20+100+20)

You can also request non-standard sizes for the Logika series sets.

The price of the custom Sky washbasin / Sky console will be the same as the price of its standard size (with the same number of basins).
