Hanami

El color es un lenguaje universal que no entiende de fronteras ni idiomas, al igual que sucede con la naturaleza, indómita y sobrecogedora.

Bajo una mirada fresca y colorida, la Colección Hanami de Vives Azulejos y Gres se inspira en la tradición oriental de observar la naturaleza en su momento de máxima belleza y esplendor. Una colección que irradia optimismo y serenidad gracias a su amplia gama cromática especialmente elegida para describir tu personalidad y estimular tus sentidos.

Cerámica hecha arte, que no se marchita, sino que, como el Sakura, reaparece año tras año con la misma viveza inalterable y frescura del primer día. Una colección llena de joyas cerámicas complementada con toda una selección de diseños únicos para espacios creativos y vitaminados, donde el color es la mejor forma de expresar emociones.
