## NOVEDADES 2024

**Continuing with our commitment to our customers, we present the range of new products that we have prepared for this year. The latest design trends are reflected in this selection of products that we present with enthusiasm. These new collections have the essence of Newker, an exquisite attention to detail to provide realism, practicality and warmth to our products. Constant research leads us to explore new technologies and materials, trying to exceed our customers' expectations every year. The result is innovative, elegant and efficient solutions.**

4

*Continuando con el compromiso adquirido con nuestros clientes, presentamos la gama de novedades que hemos preparado para este año. Las últimas tendencias del diseño quedan plasmadas en esta selección de productos que presentamos con entusiasmo. Estas nuevas colecciones tienen la esencia de Newker, un cuidado exquisito por los detalles para dotar de realismo, practicidad y calidez a nuestros productos. La constante investigación nos lleva a explorar nuevas tecnologías y materiales, intentando superar cada año las expectativas de nuestros clientes. El resultado son soluciones innovadoras, elegantes y eficientes.*

# BERGEN

Porcelain

90x90 · 60x120 · 30x60

**In the Bergen series, the tones of the spectacular landscape of the Nordic fjords merge with elegant stone in rich detail, creating elegant and welcoming spaces. Soft colours, realistic textures and a variety of formats transform the ambiances into serene and elegant environments, forming the perfect balance between modernity and tradition.**

8

*En la serie Bergen se fusionan los tonos del espectacular paisaje de los fiordos nórdicos con una elegante piedra rica en detalles, creando espacios elegantes y acogedores. Colores suaves, texturas realistas y variedad de formatos, transforman los ambientes en entornos serenos y elegantes, formando el equilibrio perfecto entre modernidad y tradición.*

# EXPRESSIONS

Porcelain

25x150 · 60x120 · 90x90

**The naturalness, warmth and freshness of wood is expressed through this new collection.**

**Expressions captures the spirit of wood through different graphics and formats.**

**On the one hand, we have three very different types of wood.**

**The Urban model evokes contemporary and modernity, the Serene model which, thanks to its continuous and linear grain, brings us tranquillity and elegance, and the Haven model, which represents natural oak, with a more versatile character.**

**These woods are accompanied by the Tribeca model, a cement that gives the collection a touch of freshness and spontaneity.**

*La naturalidad, calidez y frescura de la madera se expresa a través de esta nueva colección.*

*Expressions plasma el espíritu de la madera a través de distintas gráficas y formatos.*

*Por un lado, tenemos tres tipologías de madera muy diferentes. El modelo Urban evoca actualidad y modernidad, el modelo Serene que gracias a su veta continua y lineal nos aporta tranquilidad y elegancia, y el modelo Haven, representa el roble natural, con un carácter más versátil.*

*Acompaña a estas maderas el modelo Tribeca, un cemento que le da ese punto de frescura y espontaneidad a la colección.*

# CAMPER

Porcelain

120x120 · 60x120

**For those who are looking for style and functionality in their architectural projects, Camper is a stone collection that combines sophistication and elegance.**

**The most advanced technology allows us to create this collection. It brings together 3DSilk digital relief, a matt polish and a natural stone graphic to create environments that adapt to all interior design projects.**

22

*Para aquellos que buscan estilo y funcionalidad en sus proyectos arquitectónicos, Camper es una colección pétreo que combina sofisticación y elegancia.*

*La tecnología más avanzada nos permite crear esta colección. En ella se unen el relieve digital 3DSilk, un pulido mate y una gráfica de piedra natural para crear ambientes que se adaptan a todos los proyectos de diseño de interiores.*

# MÁRMARA

Porcelain

60x120

**Marmara is elegance, it is the fusion of the natural beauty of white onyx with the depth and elegance of black marble, creating spaces that breathe modernity and sophistication.**

**Polished marble with an intense shine, rich and deep nuances in its matt finish, a choice that will always be the right one.**

**It is accompanied by a geometric decoration that adds an artistic and distinctive touch to the series.**

*Mármara es elegancia, es la fusión de la belleza natural del ónice blanco con la profundidad y elegancia del mármol negro, creando espacios que respiran modernidad y sofisticación.*

*Mármoles pulidos de intenso brillo, o ricos y profundos matices en su acabado mate, una elección que siempre será acertada.*

*Le acompaña un decorado geométrico que añade un toque artístico y distintivo a la serie.*

# *xltiles*

120x280cm · 6mm

**Discover *xltiles*, the latest innovation from Newker, characterized by its large-format pieces.**

**This increase in sizes allow new possibilities, offering greater flexibility to transform spaces and customize designs for every project, in addition, the 6mm thickness helps to reduce its weight and makes this material the best option for covering large surfaces and adapting a design for each project.**

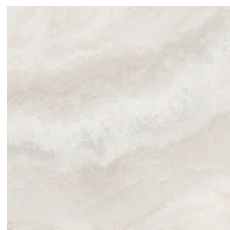

*xltiles es la nueva línea de producto de Newker, caracterizada por sus piezas de gran formato.*

*El aumento de tamaño nos permite expandir sus posibilidades de uso ofreciendo mayor capacidad para transformar el espacio, además el espesor de 6mm ayuda a reducir su peso y hace que este material sea la mejor opción para revestir grandes superficies y adaptar un diseño para cada proyecto.*
