Elegance with character as a form of expression.

The search for distinction and style leads us to a sober, discreet and harmonious aesthetic, without lacking strength or personality. The warm beauty of the Cupola collection stands out without fanfare, but becomes the evident protagonist of any space, even so.

*Three sizes: **120x120**, **60x120** and **80x80** cm. Two colours, **Taupe** and **Bone**. Together with a special piece and a mosaic, these transform **Cupola** into a versatile collection, whose small details and subtle nuances emphasise the naturalness and realism achieved by **Arcana** in its best ceramic pieces.*
