New collections in Black Bronze finish
Nuove collezioni con finitura Nero bronzo

KMB

Design with character, timeless elegance

At Tres, we understand that finishes are not merely aesthetic layers but expressions of identity. The black bronze finish embodies this vision: a deep, warm, and sophisticated tone that commands presence without ostentation.

With its subtle metallic sheen and velvety texture, black bronze tapware transforms any fixture into an architectural design statement. This finish is conceived for contemporary spaces that value material authenticity, harmonious forms, and beauty that gracefully ages.

Manufactured entirely at our facilities in Barcelona, this finish combines high durability, easy maintenance, and timeless aesthetics. An ideal solution for both contract projects and homes seeking character and balance.

Design con carattere, eleganza senza tempo

In Tres, comprendiamo che le finiture non sono solo strati estetici, ma espressioni di identità. La finitura nero bronzo nasce da questa visione: una tonalità profonda, calda e sofisticata che conferisce presenza senza eccessi.

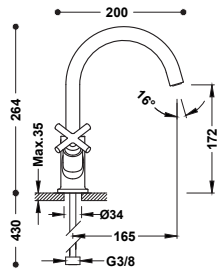

Con il suo delicato bagliore metallico e la texture vellutata, la rubinetteria in nero bronzo trasforma ogni elemento in un oggetto di design architettonico. Una finitura pensata per spazi contemporanei che valorizzano l'autenticità dei materiali, l'armonia delle forme e la bellezza che invecchia con grazia.

Prodotta interamente nei nostri stabilimenti di Barcellona, questa finitura unisce alta resistenza, facile manutenzione ed estetica senza tempo. Una soluzione ideale sia per progetti contract che per abitazioni alla ricerca di carattere ed equilibrio.

MONT BLANC

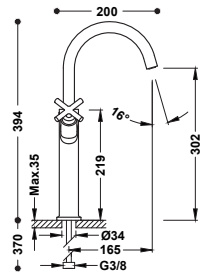

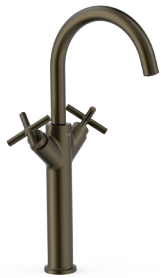

High two-handle washbasin mixer tap

28320301KMB 391,00
