The results above are reference values that may vary depending on the product and batch. Before confirming an order, please consult the technical information of the specific product through our sales network. "All technical characteristics contained in this catalogue are approximate values which reflect the generic characteristics by product type. In any case, this data may vary slightly depending on the model and specific manufacturing batch of each product. If (due to the needs of the project/order) it is necessary to ensure a specific value for any specific characteristic of a given product, or it is necessary to obtain a certificate endorsed by an accredited laboratory, please ask your sales contact person before placing an order."
Los resultados descritos son valores de referencia que pueden variar dependiendo del producto y lote. Antes de la confirmación de un pedido, consulte la información técnica del producto específico a través de nuestra red comercial. "Los valores de las características técnicas contenidas en este catálogo son valores de referencia que reflejan las características genéricas por tipología de producto, aunque éstos pueden variar ligeramente dependiendo del modelo y lote de fabricación específicos de cada producto. Si por las necesidades del proyecto/pedido fuera necesario asegurar un valor específico de alguna característica concreta de un producto determinado, o fuera necesario obtener un certificado avalado por un laboratorio acreditado, será necesario consultar previamente con el departamento comercial antes de realizar un pedido."
